# OUR GOALS

## 1 End poverty in all its forms everywhere

- Fostering rural-based crop diversification for 1,000 farmers in Red Sea and Kassala
- Providing agricultural tools and inputs for 5,000 smallholder farmers in Red Sea and Kassala
- Provision of livestock (goats) to produce milk for feeding children
- Provision of facilities to combat drought

## 2 End hunger, achieve food security, improved nutrition, and promote sustainable agriculture

- Trainings in food education, growth monitoring - weight (GM) and MM
- Rehabilitation of nutrition units at hospital level for host and migrant communities
- Extension and education systems for the production of vegetables & fruits in Gizeh locality
- Timber and pastures for livestock in Gizeh and Haya locality

## 3 Ensure healthy lives and promote well-being for all at all ages

- 2,000 health screenings for South Sudanese refugees in White Nile State
- Construction and rehabilitation of health facilities, maternity and paediatric wards in Gizeh Locality
- Distribution of drugs and PNC services
- Early detection of pregnancy at risk by strengthening the referral system from rural areas to urban areas

## 4 Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

- Abandoned children in Dar Al-Khateebah orphanage trained in art, music and cooking
- Development of the Inclusive Education Action Plan (2019-2027)
- Supporting formal and informal education for street children

## 5 Achieve gender equality and empower all women and girls

- Promotion of women health (hygiene, vaccination, nutrition in pregnancy, antenatal care and safe delivery)
- Community awareness on Female Genital Mutilation (FGM)
- Psychological support and legal advice to 100 women imprisoned in Port Sudan Penitentiary

## 6 Ensure availability and sustainable management of water and sanitation for all

- Construction and re-connection of water systems for civil and agricultural in Haya, Gizeh, Tobeh, Lashoot, and Kiroda and Gizeh localities
- Environmental campaigns on community level waste management and water conservation
- WASH and hygiene facilities for migrants and host communities in White Nile, Gedaleh and Kassala States

## 7 Ensure access to affordable, reliable, sustainable and modern energy for all

- Installation of solar pumps for drinking water in rural areas in Gizeh and Red Sea States
- Installation of solar stoves for the distribution of vegetables used by women in order to increase storage capacity in Port Sudan, Kassala and Tobeh localities

## 8 Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

- Establishment of Cooperatives to develop revolving funds in rural Kassala, Gizeh, Red Sudan and Tobeh Localities
- Technical trainings to improve cropping techniques

## 10 Reduce inequality within and among countries

- Distribution of National Health Insurance cards to women headed families, orphans and PwDs
- Development of inclusion centres (points, food-cooperating classes) for PwDs, other vulnerable groups within migrant and hosting communities
- Improvement of the Federal Welfare System for child protection
- Trainings on combating transnational organized crime including smuggling of migrants and human trafficking

## 11 Make cities and human settlements inclusive, safe, resilient and sustainable

- Development of inclusive public structures and increase of public service accessibility
- Trainings on physical usage and methods of 3D cartography in Hadera and Dar Arba and Dar elmergei

## 17 Strengthen the means of implementation and revitalize the global partnership for sustainable development

- Data collection and analysis on abandoned children with disabilities housed in Khartoum orphanages
- Establishment of data collection units in the 18 States of Sudan within the Councils for PwDs
