CONTRACT NOTICE - CIG. Z513282DE0

Enquiry 1 – Supply of General and Hospital Furniture and Biomedical Equipment for Health Centers and Facilities – SUDAN

1. In the tender dossier, folder D, as stated it must contain the following:
 - a) Tender form for a supply contract Annex 1 - declaration of honour on exclusion and selection criteria.
 - b) Tender submission form

The folder attached **does not contain declaration of honour on exclusion and selection criteria form**, is there a new form or shall we use the already existing form from previous tenders?

Answer: Please download the declaration of honor (August 2020 version) Annex A14a <https://wikis.ec.europa.eu/display/ExactExternalWiki/Annexes>

2. In the financial offer form, the quantities for the following items are stated as below, whereas in the technical specs sheet the quantities required are difference, kindly let us know the exact quantity requested for each item as per the technical sheet.

Answer: In the technical specification, each set's tools are listed, meanwhile the total quantity number of sets is mentioned in the instructions and in the economic offer.

3. Regarding item **MDD09**, in the financial offer form it's mentioned as **Ophthalmoscope/Otoscope**, as well as in the BOQ in the technical specs, whereas in the technical specs sheet table (as below) the otoscope's specs is only mentioned. Kindly clarify which device do you require, ophthalmoscope or otoscope?

Answer: As mentioned on the technical specification AICS has requested an otoscope.

4. Is it possible that you share with us the final destination for where **each item** would be delivered to?

Answer: The items will be delivered between Gedaref and Kassala States. All details will be discussed with the selected company, anyway the localities are Kassala Urban (Kassala State), Al Fasher and Basonda (Gedaref State).
