ACTIVITIES RES-EAST/02/2021**

PROJECT OFFICER STATE ACTIVITIES RED SEA – NATIONAL

Profile: 1 Project Officer State Activities Red Sea – National

Program: “RES-EAST – Strengthening the Resilience and Inclusive Sustainable Agriculture Development for the People of the Eastern States in Sudan”

Applicable regulations:

Resolution of the Joint Committee of 19 November 2019 n. 101 “Criteria and methods for the selection of personnel not belonging to the Public Administration to be hired with a fixed-term private law contract ruled by the local law with reference to article 11.1 c) AICS statute”.

The Italian Agency for Development Cooperation (AICS) – Khartoum office, intends to recruit 1 National State Coordinator for the local Activities in Red Sea State, in the framework of the Initiative AID 12130 “RES-EAST – Strengthening the Resilience and Inclusive Sustainable Agriculture Development for the People of the Eastern States in Sudan” (hereafter referred to as “the Program”), financed and executed by AICS Khartoum.

PROGRAMME DESCRIPTION

The Initiative takes place in the Eastern Sudan’s States characterized by low income level and articulates a strategy that fosters resilience starting from the communities dwelling within the irrigated arable lands (UNIDO component) up to reaching out the pastoralists communities inhabiting dryland at risk of marginalization (AICS direct implementation component). While the economic resilience benefits from improved and increased businesses opportunities, personal and community resilience refers to factors like food and water security, health and livelihood stability that eventually might link to the marketable value chain opportunities. The project seeks to contribute to the sustainable rural development of the communities more exposed to vulnerability in Eastern Sudan. The overall objective is to strengthen resilience capacities of agro-pastoral communities in Kassala and Red States, with inclusive rural policies, the creation of economic opportunities and support in tackling climate change related issues.
