Contract Title: "Rehabilitation of Saudi Maternity Hospital K_05, Kassala – Sudan"

Dear Mr. Khalid Ali Eltayeb,

The above contract may be awarded to you subject to the eligibility of the proofs when requested, related to the exclusion situations and selection criteria mentioned below, for the amount mentioned in your tender , as corrected for arithmetic errors as follows: **EUR 1.047.981, 82** and on the basis of the conditions stipulated in the tender dossier. The contract value is **EUR 1.047.981, 82**.

Please complete a new financial identification form if your bank account details have changed since those submitted with your tender.

To facilitate the contract preparation, could you please confirm that you will request the pre-financing of **EUR 104.798,18**.

The contracting authority may waive the obligation of any candidate or tenderer to submit the documentary evidence referred to above if such evidence has already been submitted to it for the purposes of another procurement procedure and provided that the issuing date of the documents does not exceed one year and that they are still valid. In such a case, the candidate or tenderer shall declare on his/her honour that the documentary evidence has already been provided in a previous procurement procedure and confirm that no changes in his/her situation have occurred.

Evidence of financial and economic capacity as well as the technical and professional capacity according to the selection criteria specified in the procurement notice is not obligatory to submit but then no pre-financing shall be made.

If the documentary evidence submitted is not written in one of the official languages of the European Union, a translation into the language of the procedure must be attached. Where the documents are in an official language of the European Union other than the one of the procedure, it is however strongly recommended to provide a translation into the language of the procedure, in order to facilitate the evaluation of the documents.

The documentary evidences may be in original or copy. If copies are submitted, the originals must be dispatched to the contracting authority upon request.

If the nature of your entity is such that it cannot fall into one or more of the exclusion situations and/or cannot provide the documents indicated above (for instance, national public administrations and international organisations), please provide a declaration explaining this situation.

Please use a reliable courier service or registered mail to avoid any delays or loss of the documents. Please submit the requested information within below specified deadline to the following address:

St. No. 33rd Amarat, House 25 Block 12 K-East

Kind attention of: Wael Haddoush (Procurement Project Officer)

The contract will be sent to you for signature if you provide the above requested evidence documents within 15 calendar days following receipt of this notification of award. Note that the contracting authority may not be in a position to honour the contract if the required documents/information is not submitted within the above time limit or if they do not meet the requirements set out above. The contract must be signed by the two parties by **30.July.2020** at the latest.

Please take note of the possibility – as described in the instructions to tenderers – that the tender procedure may – under certain circumstances – be cancelled by the contracting authority. In no circumstances will the contracting authority be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a tender, even if the contracting authority has been informed of the possibility of damage. The publication of a procurement notice does not commit the contracting authority to implement the programme or project announced.

Letters have also been sent today to the unsuccessful tenderers informing them that they may obtain your name, the characteristics and relative advantages of your tender, as well as the overall price of your tender.

Implementation of the tasks may not start before the contract is signed by both parties.

Yours sincerely,

Vincenzo Racialuto
