TERMS OF PARTICIPATION

10. Eligibility and rules of origin

Participation in this tender procedure is open only to the invited tenderers.

11. Subcontracting

Subcontracting is allowed.

12. Grounds for exclusion

Natural persons, companies or undertakings falling into a situation set out in Section 2.6.10.1.1. ('exclusion from participation in procurement procedures') and Section 2.6.10.1.2. ('rejection from a given procedure') of the practical Guide, are not entitled to participate in this tender procedure or be awarded a contract. Should they do so, their tender will be considered unsuitable or irregular respectively. Tenderers must provide declarations to the effect that they are not in any of the exclusion situations listed in Section 2.6.10.1. of the practical guide. The declarations must cover all the members of a joint venture/consortium. Tenderers guilty of making false declarations may also incur financial penalties up to 10% of the value of the contract and exclusion in accordance with the Financial Regulation in force.

Those exclusion situations apply to all members of a joint venture/consortium, all subcontractors and all suppliers to tenderers, as well as to all entities upon whose capacity the tenderer relies for the selection criteria.

Tenderers included in the lists of EU restrictive measures (see Section 2.4. of the PRAG) at the moment of the award decision cannot be awarded the contract.

13. Number of tenders

Tenderers may submit only one tender. Tenders for parts of the works will not be considered. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

SELECTION AND AWARD CRITERIA

14. Selection criteria

In order to be eligible for the award of the contract, tenderers must provide evidence that they meet the selection criteria. If a tender is submitted by a consortium, unless specified, the selection criteria will be applied to the consortium as a whole.

The selection criteria for each tenderer are as follows:

The most economically advantageous tender is the technically and financially compliant tender with the lowest price.

14.a Economic and financial capacity of candidate:

Examples of financial criteria:

- **the average annual turnover of the tenderer in the past 3 years must be at least equivalent to € 450.000,00 which is the double of the maximum budget estimated for the works.** Enterprises that have been established for less than 3 (three) years may prove their economic and financial standing with any document which the Contracting Authority may deem appropriate. The tenderer should deliver the official financial statement document.

14.b Technical and professional capacity of candidate:

Examples of professional and technical criteria:

- **Tenderers should have performed in the 3 years preceding the date of the tender at least n. 1 construction project of the same amount and complexity as the works concerned** The Contracting Authority reserves the right to ask for copies of certificates of final acceptance signed by the supervisors/contracting authority of the projects concerned.

15. Award criteria

The sole award criterion will be the price: the most economically advantageous tender is the technically compliant tender with the lowest price.

TENDERING

16. Ethics clauses

The tenderers are subject to the ethics clauses, detailed in Section 2.5.6. of the practical guide.

17. Appeals

Tenderers believing that they have been harmed by an error or irregularity during the award process may file a complaint to AICS Khartoum Office.
