E-mail: mohammed.fadul@coopitsudan.org

- 4.2 An electronic system will be used by the contracting authority and the contractor for all stages of implementation including, inter alia, management of the contract (amendments and administrative orders), reporting (including reporting on results) and payments. The contractor will be required to register in and use the appropriate electronic exchange system to allow for the e-management of the contract.

The electronic management of the contract through the aforementioned system may commence on the date on which implementation of the contract starts, as described in Article 33 of the general conditions to the contract, or at a later date. In the latter case, the contracting authority will inform the contractor in writing that he will be required to use the electronic system for all communications within a maximum period of 3 months.

Article 5 Supervisor and supervisor's representative

- 5.2 Under this contract, the Supervisor does not delegate his duties and authority to a Supervisor's Representative

- 5.4 Administrative orders in the form of Site Instructions shall be solely used by the Supervisor to request from the Contractor a specific intervention on site, either in case of No Compliancy to the Contract technical specifications and/or documentation (correction of mistakes, installation of supplies not approved by the Supervisor, discrepancies as regards to the design) or in case of Variation Order.

Article 9 Access to the site

- 9.1 The Contractor is obliged to give the Director of AICS Khartoum office and his appointed personnel free access to its sites, factories, workshops, etc., and generally assist the Director or his appointed personnel, like the project Supervisor, in the performance of his duties.

Article 12 General obligations

- 12.9 The Contractor will comply with its obligation toward visibility. These activities must comply with the rules lay down by AICS and instructions received by the site Supervisor.

Article 15 Performance guarantee

July 2019

Special Conditions_WG_02 Basoonda_Abosora

- 15.1 By derogation to Article 15 of the general conditions, no performance guarantee is required under this contract.

Article 16 Liabilities and insurance

- 16.1 a) By way of derogation from Article 16.1, a) paragraph 2, of the general conditions, compensation for damage to the works resulting from the contractor's liability in respect of the contracting authority is capped at an amount equal to the contract value.
- 16.1 b) By way of derogation from Article 16.1, b), paragraph 2, of the general conditions, compensation for damage resulting from the contractor's liability in respect of the contracting authority is capped at an amount equal to the contract value.
- 16.2 a) At the latest together with the return of the countersigned contract, the contractor shall provide the contracting authority and the supervisor with all cover notes and/or certificates of insurance showing that the contractor's obligations relating to insurance are fully respected. The contractor shall submit without delay, whenever the contracting authority or the project manager so requests, an updated version of the cover notes and/or certificates of insurance.

Please refer to Contract Form art.5.

Article 17 Programme of implementation of tasks

- 17.1 The Contractor shall provide the Supervisor with a simplified programme of implementation of the tasks. This programme shall include at least the order and time limits in which the Contractor proposes to carry out the works, and shall be based on the tranches foreseen in art. 49.1 of the special conditions.
- 17.2. The Supervisor shall return this document to the Contractor with any relevant remarks within 10 days of receipt, save where the Supervisor, within those 10 days, notifies the Contractor of its wish for a meeting in order to discuss the documents submitted.

Article 21 Exceptional risks

- 21.4 No potential exceptional weather conditions are foreseen at the Project's location

Article 22 Safety on sites

Without prejudice to art. 22 of General Conditions for works contract, the Contractor is obliged to take all necessary steps to ensure safety on site.

AICS in his capacity of Contracting Authority is determined to foster a safety culture in the workplaces for workers, reasonably following European standards.

In view of the above, in order to support the Contractor, by derogation of art. 22.3

the Contracting Authority has introduced in the BoQs an item concerning safety on building site in the interests of Contractor employees, agents of the contracting authority and third parties.

The item in the BoQs can only be spent for the purpose of ensuring safety by means of (for instance) lighting, protection, fencing and security equipment which proves necessary for the proper implementation of the tasks or which may be required by the supervisor. The site supervisor will inform and indicate measures to be adopted in general and on case by case basis.

The contractor shall provide upon specific request the contracting authority and the supervisor with copy of invoices and any other documents showing that the allocated budget has been properly spent.

Article 34 Period of implementation of tasks

- 34.1 **The period of implementation of tasks is 80 (eighty) calendar days' maximum from contract signature.**

Article 36 Delays in the implementation of tasks

- 36.1 The rate of liquidated damages for delays in the completion of works shall be 0.1% of the contract price for every day or part thereof which elapses between the end of the period of implementation of tasks and the actual date of completion, up to

a maximum amount of 10% of the contract price or, if the contract is subdivided into phases, 10% of the price of the phase concerned.

Article 39 Work register

39.1 A work register is not required

39.2 **For lump sum contracts the statements criteria are based on percentage of works made corresponding to a percentage of global price.**

Article 40 Origin and quality of works and materials

40.1 All goods purchased under the contract must originate in any eligible source country **as defined in SDN11 programme**. However, the goods to be purchased may originate from any country, whenever the total price of the estimated quantity of those goods, as reflected in a separate item of the breakdown of the lump-sum price (Volume 4.2.3) is below EUR 100.000. A category of similar goods to be purchased shall not be broken down over more than 1 item of the breakdown of the lump-sum price (Volume 4.2.3)]

For these purposes, 'origin' means the place where the goods are mined, grown, produced or manufactured and/or from which services are provided. The origin of the goods must be determined according to the EU Customs Code or the applicable international agreement.

When importing goods, any change in the specified origin must be pointed out to the project supervisor and approved by him.

40.2 The works and the objects, appliances, equipment or materials used in their construction must comply with:

(*) the specifications set out in the Design Documents and BoQ where stated.

40.3 Preliminary technical acceptance will be implemented upon Site Supervisor request and instruction.

Article 43 Ownership of plant and materials

43.2 The equipment, temporary structures, plant and materials on the site shall for the duration of the execution of the works, be vested in the contracting authority.

Article 44: General principles for payments

44.1 Payments shall be made in EURO.

44.2 Invoices shall be submitted to the contracting authority.

44.3 By derogation, pre-financing payment to the Contractor for the lump-sum advance shall be made within 30 days. Other pre-financing payments to the Contractor shall be made within 60 days. Interim payments to the Contractor of the amounts due under each of the interim payment certificates approved by the supervisor shall be made within 60 days, and the final payment to the Contractor of the amounts due after the final statement of account issued by the Supervisor shall be made within 60 days.]

Article 46 Pre-financing

46.1 The only pre-financing granted to the contractor, is the lump sum advance referred to in Article 46.1 (a).

46.2 By derogation to Article 46.2 of the general conditions, the lump sum advance referred to in Article 46.1 (a) shall be 20% of the original contract price.

46.3(c) By derogation to Article 46.3(c) of the general conditions, no pre-financing guarantee is required.

46.8 The tranches laid down in Article 49.1 of these special conditions are determined so that the pre-financing is fully repaid before provisional acceptance.

Article 47 Retention monies

47.1 The sum retained to guarantee implementation of the contractor's obligations during the defects liability period is 10% of the contract price. By derogation to Article 47.1 of the general conditions, that money is not retained from interim payments. The tranches laid down in Article 49.1 of these special conditions are

determined so that the retention sum amounts to 10% of the contract price at the moment of the certificate of provisional acceptance.

47.2 By derogation to Article 47.2 of the general conditions, the retention sums cannot be substituted by a retention guarantee.

Article 48 Price revision

48.1 Prices are fixed and shall not be revised.

Article 49 Measurement

49.1 This is a lump-sum contract.

Under the conditions imposed by the special conditions and general conditions, the amounts due shall be calculated through the following tranches, expressed as percentage of the contract price:

	Percentage	Nature	Timing
1.	20%	Lump-sum advance of Article 46.1(a)	After conclusion of the contract
2.	35%	Interim payment of Article 50	After completion of 50% of works
...	35%	Interim payment of Article 50	After issuing of the certificate of provisional acceptance
<last>	10%	Retention money of Article 47	Within 60 days of the issuing of the signed final statement of account

Article 50 Interim payments

50.7 The interim payments will be paid as determined in Article 49.1 of these special conditions.

Article 53 Delayed payments

53.1 By derogation from Article 53.1 of the general conditions, once the time-limit referred Article 44.3 has expired, the contractor shall be entitled to late-payment interest at the rate and for the period mentioned in the general conditions. However, when the interest calculated in accordance with the first subparagraph is lower than or equal to EUR 200, it shall be paid to the creditor only upon a demand submitted within two months of receiving late payment

Article 61 Defects liability

61.1 The defects liability period is defined as the period commencing on the date of provisional acceptance, during which the contractor is required to make good any effect in, or damage to, any part of the work which may appear or occur during this period as notified by the supervisor or the contracting authority. The rights and obligations of the parties with regard to this defects liability period are laid down in Article 61 of the general conditions.

Article 68 Dispute settlement

Any dispute arising out of or relating to this Contract which cannot be settled otherwise shall be referred to the exclusive jurisdiction of the courts of Sudan.

Article 72 Data protection

Processing of personal data related to the implementation of the contract by the contracting authority takes place in accordance with the national legislation of

the state of the contracting authority and with the provisions of the respective financing agreement.

To the extent that the contract covers an action financed by the European Union, the Contracting Authority may share communications related to the implementation of the contract, with the European Commission. These exchanges shall be made to the Commission, solely for the purpose of allowing the latter to exercise its rights and obligations under the applicable legislative framework and under the financing agreement with the Partner country – contracting authority. The exchanges may involve transfers of personal data (such as names, contact details, signatures and CVs) of natural persons involved in the implementation of the contract (such as contractors, staff, experts, trainees, subcontractors, insurers, guarantors, auditors and legal counsel). In cases where the contractor is processing personal data in the context of the implementation of the contract, he/she shall accordingly inform the data subjects of the possible transmission of their data to the Commission. When personal data is transmitted to the Commission, the latter processes them in accordance with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC¹ and as detailed in the specific privacy statement published at ePRAG.]
