Call for Proposal “Promoting positive social norms towards GEWE”

FAQ 10.03.2022

Q1 Are national non-governmental organizations eligible to apply to this call for proposal as lead applicant, together with another national non-governmental organization as co-applicant?

Yes, national non-governmental organizations are eligible to apply to this call for proposal as lead applicant, together with another national non-governmental organization as co-applicant.

Q2 Shall the proposal cover the three states (Gedaref, Red Sea and Kassala) or the implementing partner/s can restrict the area of implementation to two of the states indicated?

The proposal shall cover all the three states: Gedaref, Red Sea and Kassala.

Q3 Is it needed to be already registered in all the three states? Does "*Be operative in Eastern Sudan States*" mean to be already present in all the states indicated in the proposal?

All the applicants (lead and co-) for this call for proposal should have the "national registration" with HAC, in order to be allowed to work in all Sudan's States.

At the moment of the application, at least the co-applicant(s) should be operative through:

1. active projects in the 3 States or
2. having an office in the 3 States or
3. having signed a technical agreement/MoU (Memorandum of Understanding) with the 3 States.
