FAQ – Frequently Asked Questions (Al Fasher, North Darfur)

Question: What is the maximum amount eligible for indirect costs?

Reply: The maximum eligible amount for **indirect costs is 3%** as indicated in the Grant Guidelines. The Budget template, which report 7%, should be modified accordingly.

Question: What does the sentence “incentive to employees of the Sudanese public health sector” refers to? Does it consider only salaries and related pay increases, or also reimbursement for transportations fees, attendance allowances etc. related to their participation to the action?

Reply: The sentence "*incentives to employees of the Sudanese Public Health Sector*" refers to any form of increase in the salaries of the above-mentioned employees. All reimbursements (transportation fees, attendance allowances, etc.) **related to any activity implemented within the project is eligible.**

Question: Can the provision of contingency reserve, as indicated in budget line 10.1 of the budget template, be included in the budget action, even if allowed by EU rules?

Reply: Contingency reserve, as indicated in budget line 10.1 of the budget template, **cannot be included** in the proposed budget.
