To Italian Agency for Development Cooperation – AICS Khartoum

Subject: Rehabilitation of two Primary Health Centers in Otash IDP Camp, Northern Nyala, South Darfur State, namely NY02 (12° 5'47.30"N, 24°54'29.34"E) and NY06 (12° 6'21.92"N, 24°54'40.34"E)

With reference to the subject, we inform you that we have studied the plans, specifications and scope of works prepared by the Italian Agency for Development Cooperation (AICS) which aims to rehabilitate NY02 and NY06 Primary Health Centers in Otash IDP Camp, so we recommend the following:

- approval the drawings, specifications and the attached scope of work;
- it is also requested that a representative from the Engineering Department of the South Darfur SMOH be added to the project supervision team as a representative of the counterpart.

Dr.Abd Alrahim alkhalfa jabber
Acting General Director
