To Italian Agency for Development Cooperation – AICS Khartoum

Subject: Rehabilitation of ALF05 Primary Health Center in Al Salam IDP Camp, Al Fasher,
Nord Darfur(13°40'42.47"N, 25°22'23.70"E)

Whit reference to the subject, we inform you that we have studied the plans, specifications and scope of works prepared by the Italian Agency for Development Cooperation (AICS) which aims to rehabilitate ALF05 Primary Health Center in Al Salam IDP Camp(13°40'42.47"N, 25°22'23.70"E)), so we recommend the following:

- approval the drawings, specifications and the attached scope of work;
- it is also requested that a representative from the Engineering Department of the North Darfur SMOH be added to the project supervision team as a representative of the counterpart.
