CONDITIONS OF PARTICIPATION

10. Legal basis, eligibility and rules of origin

Participation in this tender procedure is open only to the invited tenderer.
All Supplies and material under this contract may originate in any country.

11. Subcontracting

Subcontracting is NOT allowed.

12. Grounds for exclusion

Natural persons, companies or undertakings falling into a situation set out in Section 2.6.10.1.1. ('exclusion from participation in procurement procedures') and Section 2.6.10.1.2. ('rejection from a given procedure') of the practical guide, are not entitled to participate in this tender procedure or be awarded a contract. Should they do so, their tender will be considered unsuitable or irregular respectively. Tenderers must provide declarations to the effect that they are not in any of the exclusion situations listed in Section 2.6.10.1. of the practical guide. The declarations must cover all the members of a joint venture/consortium. Tenderers guilty of making false declarations may also incur financial penalties up to 10% of the value of the contract and exclusion in accordance with the Financial Regulation in force.

Those exclusion situations apply to all members of a joint venture/consortium, all subcontractors and all suppliers to tenderers, as well as to all entities upon whose capacity the tenderer relies for the selection criteria.

Tenderers included in the lists of EU restrictive measures (see Section 2.4. of the PRAG) at the moment of the award decision cannot be awarded the contract.

13. Number of tenders

Tenderers may submit only one tender. Tenders for parts of the works will not be considered. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

SELECTION AND AWARD CRITERIA

14. Selection criteria

In order to be eligible for the award of the contract, tenderers must provide evidence that they meet the following selection criteria.

14.a Economic and financial capacity of candidate:

The reference period which will be taken into account will be the last three financial years for which accounts have been closed.

The average annual turnover of the tenderer must exceed the maximum budget of the contract

Financial data to be provided by the tenderer in relation to the selection criteria must be expressed in EURO. If applicable, where a candidate refers to amounts originally expressed in a different currency, the conversion to EURO shall be made in accordance with the Bank of Italy rate of relevant Month and Year.

14.b Technical and professional capacity of candidate:

tenderers must have completed during the last 3 years at least 1 project of the same nature, amount and complexity as the works concerned by this tender.

The contracting authority reserves the right to ask for copies of certificates of final acceptance signed by the supervisors/contracting authority of the projects concerned.

15. Award criteria

The sole award criterion will be the **price**: the most economically advantageous tender is the technically compliant tender with the lowest price.

TENDERING

16. Ethics clauses

The tenderers are subject to the ethics clauses, detailed in Section 2.5.6. of the practical guide.

17. Appeals

Tenderers believing that they have been harmed by an error or irregularity during the award process may file a complaint. See further Section 2.12. of the practical guide.

18. Early detection and exclusion system

The tenderers and, if they are legal entities, persons who have powers of representation, decision-making or control over them, are informed that, should they be in one of the situations of early detection or exclusion, their personal details (name, given name if natural person, address, legal form and name and given name of the persons with powers of representation, decision-making or control, if legal person) may be registered in the early detection and exclusion system (EDES) and communicated to the persons and entities concerned in relation to the award or the execution of a procurement contract.
