To Italian Agency for Development Cooperation

**Subject: Rehabilitation of Continuous Professional Development (CPD), Al Fasher, North Darfur (13°37'41.39"N, 25°21'21.34"E)**

With reference to the subject, we inform you that we have studied the plans, specifications and scope of works prepared by the Italian Agency for Development Cooperation (AICS) which aims to rehabilitate the Continuous Professional Development (CPD) in Al Fasher (13°37'41.39"N, 25°21'21.34"E).

In this regard, we agree on the following:

- approval the drawing, specifications and the attached scope of work;
- it is also requested that a representative from the Engineering Department of the North Darfur SMOH be added to the project supervision team as a representative of the counterpart.

Dr. Mohamed Idres

General Director
