Dear **Mr. Dalmas J. Menya, Chief Operating Officer of PACT Consultancy,**

Technical Assistance for the Development of a Cooperative Loan Khartoum-Gedaref, Sudan

Thank you for participating in the above-mentioned tender procedure. I regret to inform you, however, that your tender was not admissible for the following reason:

- based on the Instruction to Tenderers (page 6/9 art. 12.2. Evaluation of financial offers) and the template Evaluation Grid, stating that only tenders with average scores of at least 75 points qualify for the financial evaluation, your tender did not qualify for the financial evaluation since it did not reach a score of 75 points (see table below)

For your information, the evaluation committee recommended that the contract should be awarded to *Avrio Impact*.

Your scores awarded by the evaluators according to the award criteria, as well as those for the selected tender, were as follows:

	Rationale	Strategy	Back-up function	Experts' CVs	Timetable of activities	Average technical score
	20	30	10	20	20	100
Your tender	11	12,6	6,6	17,6	12,6	60.7
Selected tender	17	23,6	8,6	19,3	18,6	87.3

We draw your attention to the legal remedies available to you to contest this decision, explained in Section 2.12. of the practical guide.

If you so request in writing, you may be informed of the characteristics and relative advantages of the successful tender(s) and the contract value. However, certain information may be withheld where its release would impede law enforcement, would be contrary to public interest, or would prejudice the legitimate commercial interests of economic operators or might distort fair competition between them.
