Dear Sirs,

With reference to our contract in object, we are notifying that a circumstance of force majeure has occurred since April 15, 2023.

This circumstance (as per art. 11.8 of the General Conditions of the grant contract) is affecting the performance of contract obligations and the duration of this force majeure circumstance is not foreseeable at the moment.

The suspensions enacted until now and ending on the 20th of October 2023, served to assess whether a resumption of the activities was possible. Yet unfortunately, as the circumstances of Force majeure continue to be present, we regret to inform you that the **contract** is to be considered fully **terminated** on date **21.10.2023**, as per art. 12. *Termination of the contract* of the General Conditions of the Contract.

Please refer to the aforementioned Articles 11 and 12 for details.

We remain at disposal for any further clarification,
